General information

More than a school, the Mosa Ballet School is a philosophy. A pedagogy of excellence, but also of humanity and collaboration.

We expect the candidates/trainees/regular students (and their parents/legal guardians) to adhere to this vision, which is the cornerstone of our teachings and share it with others.

The Course is open to student dancers aged 11 to 20.

The classes are divided into 2 levels: Elementary/Intermediate and Medium/Advanced.

Trainees will be able to register for classes of varying levels.

Each class/session lasts 90 minutes.

The Mosa Ballet School reserves the right to make changes to the programme and the running of the course.

In the event of too large a level deviation observed by the teacher, the team reserves the right to modify the trainee's assigned group.

A certificate of participation will be issued at the end of the course.

During the course, trainees will be eligible to audition for the Mosa Ballet School for the school year 2022/2023. They have to indicate this at the time of registration.
